

Ms. Wheelchair Kansas

A program of achievement,
advocacy, and empowerment...

March 1-3, 2019
Doubletree Hotel, Lawrence, KS

Our Mission

The Ms. Wheelchair Kansas program annually selects one woman, who is wheelchair mobile, to successfully advocate, educate, and empower all people on a state level.

Background

In 1972 a Columbus, Ohio physician, Dr. Philip K. Wood, established Ms. Wheelchair America as a forum for the promotion of the achievements of people who are wheelchair mobile. There are active programs currently in approximately 30 states throughout the U.S. These non-profit programs are coordinated by volunteers throughout the country who are dedicated to increasing public awareness. Ms. Wheelchair Kansas was started in 2004 and has had fifteen dynamic titleholders ever since.

Our Program

The Ms. Wheelchair Kansas program is not a beauty contest, but rather a competition to select the most articulate, accomplished delegate who will serve as a role model and spokesperson for people with disabilities in Kansas. This woman of achievement will have the opportunity to travel throughout the state of Kansas educating the general public, business community, legislature, and

others about the issues that are of importance to people with disabilities. She will share her chosen platform (or passion) with different groups, interact with the media, and serve as a role model for youth and adults alike, including the Little Miss Wheelchair Kansas titleholder. Her overall message will be one of promoting diversity and breaking down stereotypes against people with disabilities. Her reign will lead to an opportunity to attend the national competition where she will compete for the title of Ms. Wheelchair America.

There's Always a Way

"I have experienced tremendous personal growth. This has truly been one of the most rewarding experiences of my life!"

The Event

The competition itself is a three-day event that culminates at the crowning ceremony where the new Ms. Wheelchair Kansas is crowned. Contestants are interviewed one on one, asked a couple questions on stage, and give a short speech on their platform. They are scored based on their accomplishments, self-perception, communication, and projection skills. This event is not only a competition, but also an occasion that focuses on empowerment and disability pride. Contestants are able to network with each other and celebrate the strength of each individual.

Who Can Participate?

- be a US citizen who is 21 years of age or older
- utilize a wheelchair for 100% of daily community mobility
