The Ms. Wheelchair Kansas mission is to annually select one woman, who is wheelchair mobile, that will successfully advocate, educate, and empower all people on a state level. This is not a beauty contest, but rather a competition to select the most articulate, accomplished delegate who will serve as a role model and spokesperson for people with disabilities in Kansas. This woman of achievement will have various opportunities to be heard in the community. She will serve as an advocate and will share her chosen platform with groups throughout the state.
