Dear Community Partner,

The 19th Annual Ms. Wheelchair Kansas (MWKS) event is quickly approaching, and we are currently raising funds to support our goals in 2024. We are searching for organizations, companies, or groups who would like to partner with us to celebrate women of achievement in our state. Are you willing to support us in reaching this goal? We would like to see your organization/company as a sponsor for our 2024 event!

In serving as a sponsor, you will be supporting an important organization in our state that focuses on recognizing strong, spirited women who are wheelchair mobile. The MWKS program is not a beauty contest, but rather a competition to select the most articulate, accomplished delegate who will serve as a role model and spokesperson for people with disabilities in Kansas. Our organization gives women the platform to share their story and passion with people throughout the state. It is more than a program, it is a sisterhood of strong women who happen to share a common characteristic.

MWKS has been going strong since 2004. We have had nineteen very accomplished titleholders who have made their individual mark on the state. Each has shared their own unique story and message with groups of different races, genders, backgrounds, and abilities. We are excited to select our next titleholder and see what 2024 holds for our organization!

We will only succeed with support from the community. We ask that you consider serving as a sponsor for our 2024 event. This yearly event is where we select our titleholder. It also serves as a weekend of empowerment and sisterhood for the women who participate. If your group would like to partner with us in achieving our mission, we have multiple sponsorship levels and benefits to choose from (see enclosed Sponsor Form). ALL sponsors will be recognized during our crowning, as well as on our website and Facebook page. Your contribution is also tax deductible, as Ms. Wheelchair Kansas, Inc. is now a 501(c)(3) public charity.

We look forward to partnering with you. If you would like to learn more about our organization, feel free to visit our website at [www.mswheelchairkansas.org](http://www.mswheelchairkansas.org). You may also contact me at the phone number or email above.

Thank you for supporting this important organization that celebrates women of achievement in our state! Your contribution will make a difference.

Sincerely,

Carrie Greenwood, President/CEO
